

ENES HAXHIU

GRAPHIC & MOTION DESIGNER | AI VISUAL CONTENT CREATOR

Ferizaj, Kosovo | +383 43 843 489 | eneshaxhiu2003@gmail.com

PROFESSIONAL SUMMARY

Graphic and motion designer with 5+ years of experience creating brand systems, advertising campaigns, social media content, and AI-assisted visual production for clients across the United States and Europe. Combines concept development, design, animation, and visual storytelling with strong proficiency in Adobe Creative Cloud, Figma, and generative AI tools.

PROFESSIONAL EXPERIENCE

project-home.ai | Vienna, Austria (Remote) Jun 2026 - Present
Graphic & Motion Designer | Freelance

- Create graphic and motion assets for an AI-powered architecture and interior-design platform, translating product features into clear visual communication.
- Produce digital campaign content and presentation visuals across static, animated, and AI-assisted workflows.

iLOAN | United States (Remote) Oct 2025 - Present
Creative Lead Designer | Full-time

- Lead visual direction and day-to-day creative production for mortgage and real estate campaigns across social media, digital advertising, and branded communications.
- Develop graphic and motion systems that keep program messaging clear, consistent, and platform-ready.

Pole Position Solutions | Germany (Remote) Aug 2024 - Oct 2025
Graphic & Motion Designer | Full-time

- Designed B2B campaign creative, social content, and motion graphics from initial brief through final delivery.
- Collaborated with marketing and content teams to translate complex topics into concise, professional visuals.

PAPARAPARA L.L.C. | Kosovo Jun 2024 - Aug 2024
Graphic Designer | Full-time

- Produced brand and digital assets in a deadline-driven environment, preparing polished files for multi-channel use.

BerryForm | Freelance / Remote Jun 2021 - Present
Founder & Graphic Designer

- Manage end-to-end client projects spanning brand identity, real estate marketing, social content, web/UI design, and motion graphics.
- Translate business goals into visual concepts, cohesive design systems, and production-ready assets for international clients.

Mayune Visuals | Prishtina, Kosovo 2021 - 2022
Graphic Designer

- Created brand, digital, and UI/UX assets for client projects, supporting work from early concepts through final production.
